

University Consortium for Evidence Based Approach to the Emergent Issues in Asia

OPEN SEMINARS

E B A

EVERY MONTH - 1st WEDNESDAY - 4:00PM-6:00PM JST (UTC+7)

DEVELOPING HUMAN RESOURCES FOR THE FUTURE OF ASIA

EBA Open Seminar is an open and casual meeting to share information and discuss topics related to the program. EBA Consortium is a collaboration among ASEAN's top universities to develop human resources capable to identify and solve issues based on the evidence and analysis. Consortium member universities jointly design the EBA course curriculum and offer courses in their own expertise to the students of all member Universities. Students and faculty members of all partners interactively learn from each other to encourage ASEAN-wide collaborative problem solving. The program also offers fieldworks and Internships to provide variety of experiences in the study fields, bridging students to the real world.
